

Rally O is a new dog sport competition adopted by the ANKC for competition across Australia in 2012. **Rally O (obedience) Masters** teaches and practices all the Novice Rally signs in different formations. Rally O training improves leash skills, heel positions, sits, downs, stands, stays and recalls. It does not involve group exercises or stand for examination so is suitable for reactive dogs as well. **Masters** level Rally O is performed off leash.

Suitable for dogs 8months + with existing intermediate and off leash obedience skills.
