

# Rally O Novice

Rally O is a new dog sport competition adopted by the ANKC for competition across Australia in 2012. **Rally O (obedience) Novice** teaches and practices all the Novice Rally signs in different formations. Rally O training improves leash skills, heel positions, sits, downs, stands, stays and recalls. It does not require stand for examination or group stays so is suitable for reactive dogs. Praise is permitted, unlike competition obedience. In **Novice** Rally O is performed on leash, but progressing to off.

**Suitable for dogs 8 months + with existing basic obedience training skills.**
