

Benotto **DOG LIFESTYLE CLASSES**

Terms and Conditions 2011

Eligibility

Benotto reserves the right to refuse a dog access to group classes if the dog shows aggression towards dogs or humans. It is the owners responsibility to notify Benotto of any known behavioural issues in the enrolment procedure. *These behaviours will not necessarily exclude your dog from group classes, but we need to assess its suitability first.*

- Fear or aggression with people or dogs
- Too strong to hold on lead
- History of biting

Grounds

Dogs must enter and leave the training area on leash. Dogs must stay on lead at all times, unless in a dog exercise area and indicated by the instructor.

Sharing of water and toys carries risk of spread of disease. Please bring your own if this concerns you. Faeces must be picked up on all occasions. Please bring poo bags with you.

Health

Vaccination and preventative flea and worm preventative are to be used regularly. Dogs that have coughing, diarrhoea, vomiting or have an infectious skin disorder **must not come to classes**. Notify your instructor of any health concerns you have for your dog.

Class Cancellations

If a class is cancelled due to instructor unavailability or severe weather, a replacement class will be offered within 14 days.

Waiver

I acknowledge that attendance at any dog training session at the grounds or other area may involve risk or damage to myself, others who attend, my own or another dog or property even when all due care and consideration is taken and I assume this risk.

I absolve Benotto from any liability for any injury or damage, including as a result of negligence and waive any rights I may have against Benotto arising from such injury or damage.

Benotto acknowledges and undertakes that it will exercise all due care and skill in carrying out the services with its obligations under the Fair trading Act.

I permit my dog and myself to be photographed for the purposes of promotion

I agree to the terms and conditions of Benotto
